- Backed by a 3-year/ 36,000-mile warranty
- Serviceable at any Ford Dealership

Work-Ready:

- Receive a turnkey solution upon vehicle delivery

Efficient:

- Streamlined process from order to vehicle delivery
- One-stop shop for your vehicle and upfitting needs
- Maximize uptime

Factory-Installed Trade Packages: Now Available

Get work-ready vehicles faster! Our new trade packages are designed to meet the specific needs of leading industries, saving you time and money.

Electrician Trade Package

Includes organized storage with drawers, bins, and wire spool reels.

HVAC Trade Package

Includes large shelves, storage bins, refrigerant racks, and restraints for specialized storage.

General Contractor Package

Includes storage with a mix of shelves, bins, drawers, and hooks.

Delivery Package

Includes deep, large-capacity folding shelves for a variety of delivery operations.

Other options available include:

Heavy Duty Wall Liner Kit

Protects ceiling, walls, and doors (regular or long length). Includes LED lighting and wheel-well covers.

Large Grab Handles Kit

Enhances accessibility with two D-pillar grab handles (regular and long length vans).

Bulkhead Partitions

Available with a door and a window, or with a window-only configuration for cargo area separation. Option availability varies by roof height.

Heavy Duty Flooring

Durable, impact and puncture-resistant flooring with heavy-duty scuff plates.

Hi-Def Virtual Rear-View Mirror

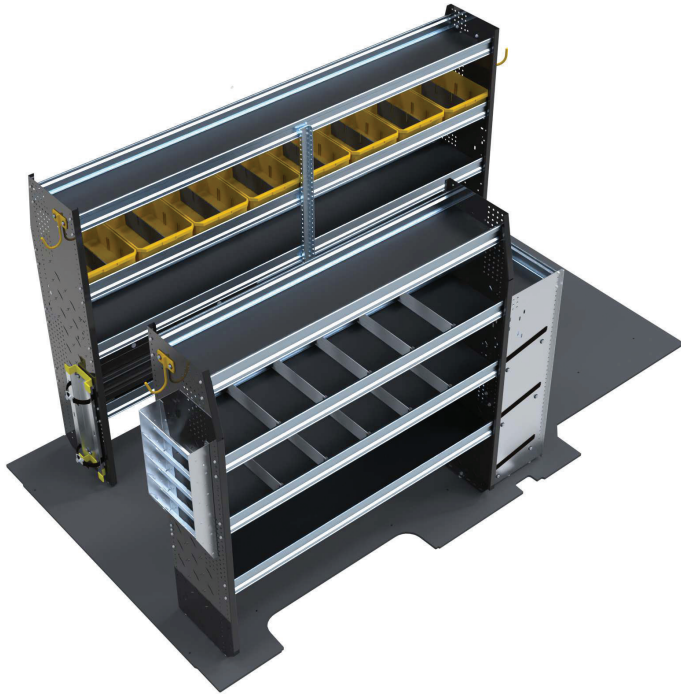

Adjustable rear camera with a large 9" display for enhanced visibility.

Back-up Alarms

Choose from traditional beep-beep or new white-noise shhh-shhh warning signals.

Digital Rearview Mirror by Stinger

Option Code 90C

- Large 9" screen featuring high definition resolution
- 80% viewing angle provides an accurate rear-view mirror image
- 10 selectable vertical camera adjustments so you can adjust higher or lower depending on conditions
- Adjustable user selectable brightness
- Auto brightness adjusts to your surroundings
- Mirror monitor does not interfere with driver's view through the windshield

Back-up Alarms by Ecco

Option Codes 43B & 63G

Tonal (43B)

Emits the familiar beep-beep alarm

- Less likely to be masked by ambient noise
- For all Transit® versions

White Noise (63G)

Emits the newer shhh-shhh warning signal

- Sound is perceived to be more directional
- For E-Transit™ use only

Orderable Custom Graphics Program

Option Codes 51E (up to 15 sq-ft); 51F (up to 30 sq-ft)

Ordering Process:

- For fleets only, minimum order of 25
- Meet with Ford Commercial Accessory Graphics Representative via e-mail at: FLA1@ford.com
- Finalize design and provide a design proof for customer review and approval
- Determine the graphic option code and applicable pricing
- Once the process is completed, the customer can submit the decal order by utilizing an option code through CONCEPS/WBDO
- Please allow 8-10 weeks prior to placing the first order for system programming and program management processes
